

## Food & Drink Policy

The Graves County Public Library permits the consumption of beverages carried in covered containers, food items in the lobby, exceptions in designated areas.\* All other drinks and food are not permitted in the Library.

### **Examples**

- Acceptable covered beverage containers include disposable coffee and soft drink cups with lids, plastic or glass bottles with twist-on lids, travel mugs, and sport-type water bottles. Lids should be kept on bottles and containers at all times.
- Food may be eaten in the lobby only. Library programs that involve food are the only exception.

### **\*Designated areas where different policies are in place**

- **Genealogy Room:** No food or drinks permitted
- **Near photocopiers, printers, and microfilm reader/printers:** No food or drinks permitted
- **Public Computers:** No food or drinks permitted
- **Collections areas directly among books and other library materials:** No food or drinks permitted.

*Please be considerate of other library users when eating and drinking in the Library.  
Report any spills to library staff immediately.*
