Open Records Requests and Records Retention

The Graves County Public Library is subject to the Kentucky Open Records Act (KRS 61.870-61.884) and certain requirements with regard to records retention.

Retained records

The Graves County Public Library will maintain and retain its records in accordance with applicable laws and regulations. Unless otherwise provided by law, records may be retained or discarded according to the Records Retention Schedules as adopted by the State Archives and Records Commission.

Public records

Not all records of the Graves Public Library will necessarily be "public records" under the Open Records Act, and even some public records are exempt from operation of the Act. "Public record" generally means all books, papers, maps, photographs, cards, tapes, discs, diskettes, records, or other documentary materials prepared, owned, used, in the possession of, or retained by the Library. It does not include any records owned by a private person or corporation that are in the possession of the Library or one of its employees.

Requests for records

The Graves County Public Library Director (or designee) acts as Custodian for all of the Library's public records. KRS 61.870(5) Any person may request to inspect or receive copies of the Library's non-exempt public records. All requests to view or copy the Library's public records pursuant to the Kentucky Open Records Act must be made in writing and must contain the requester's name and signature. Requesters may use the *Request to Inspect Public Records* form, but are not required to do so. Requestors may also use the standardized request form provided by the Kentucky Attorney General's office. KRS 61.872(2) All Open Records Requests must be submitted via U.S. Mail at 601 N 17th St., Mayfield, KY 42066, facsimile transmission at 270-247-2990, email at directorgcpl@mewsbb.com, or hand delivery. Open Records Requests should be directed to the attention of the Library's Records Custodian. If a requester is requesting to be provided with copies of non-exempt public records, they must provide a sufficiently precise description of the documents they are seeking so as to allow the Records Custodian to readily identify them.

Response

The Graves County Public Library has five business days in which to respond to an Open Records Request. This time begins to run the next business day after the request is received. KRS 61.880(1)

The response to an Open Record Request may: (1) grant the request, (2) deny the request, (3) explain that there will be a delay in responding to the request; or any combination thereof. To the extent a request is granted, the response will provide a timeframe when the requested non-exempt public documents may be inspected in person, or will inform the requester of the applicable copying charge and postage fee required to be paid before copies of the non-exempt public documents may be provided. To the extent a request is denied, the response will provide the legal cause for the denial. To the extent the full response to a request is delayed, the initial response will give a detailed explanation of the cause for any delay and an estimate of when a complete response may be expected. KRS 61.880(1)

Copies

To the extent a request is granted, copies of the responsive non-exempt public records requested may be provided at a cost of \$0.10 per page, along with any applicable postage costs, all of which must be pre-paid by the requester. Requests for specialized or non-standard copies (e.g. color or oversized copies) will be provided at the cost incurred by the Library to produce them. Records requiring electronic format like flash drives for copies will be provided at the cost of the items by the requester. The Graves County Public Library may also recover costs associated with staff time expended in responding to a request made for a commercial purpose. Non-public or exempt information may be redacted as appropriate from copies of otherwise non-exempt public records provided. KRS 61.872(3)(b)

On site examination of records

To the extent a request is granted, individuals requesting to review records will be allowed to schedule a time to conduct on-site inspection of non-exempt public records during the regular hours of the Graves County Public Library. An on-site inspection may be required by the Library if the request is not precise in nature or if the requester resides or maintains his or her principle place of business within Graves County. Public records must be inspected in the location set by the Library. During their inspection, a requester may copy non-exempt public records (at their own cost), but may not remove, alter or add to documents provided for review. The Library is responsible for protecting the security of public records in its custody, and may require that a staff member be present during any inspection or copying of its public records. KRS 61.872(3)(a)

Denial of request

Certain public records are exempt from inspection under the Open Records Act. Circulation and Library use records for individual patrons items or for personnel or medical records for past or present employees are exempt from inspection, and requests to inspect or receive copies of these records will be denied, as will a request to inspect or receive copies of any other records which either are not public or which are exempt under the Act. KRS 61.878(1)(a) Under certain circumstances, the Library may find that a request would create an unreasonable burden to comply with, and may deny such a request for that reason. Requests that the Library believes are intended to disrupt its essential functions will also be denied. Reasons that a request may be deemed unduly burdensome for compliance, or which may be disruptive to the Library may include time and expense involved in retrieving and duplicating the records, or in the type and nature of the request. To the extent a request is denied, the Library will provide the legal basis for the denial to the requester and notice of refusal will be sent to the Office of the Attorney General. KRS 61.872(6)
